As the new school year begins, we encourage you to join the **Metrowest Elementary School PTA!** The MWES PTA is a volunteer organization comprised of parents, teachers, administrators and community members working on behalf of all the children at our school. Our goal is to unite home, school and community for all students.

As a member, you choose how involved you can or want to be. There are many volunteer opportunities however we know that sometimes our hectic work and life schedules don't allow us to do as much as we would like. That's OK, we still encourage you to join the PTA. As a member you'll receive a monthly newsletter so you know first-hand of the upcoming events that can enrich your child's experience while attending MWES. There is always something fun to look forward to! You can attend as many events and meetings as you are able to – your attendance helps support and raise funds for various activities for our children and teachers.

September is our **PTA Membership Month.** Our goal is to reach **200 members by the end of September.** If you have not filled-out the membership form yet, please do so now and return it and the payment with your child to their teacher.

**We appreciate your support!**
